

Wednesday 3rd September 2025

To our pupils, parents, carers and commissioners,

I am delighted to welcome you back to a new academic year and to share some exciting news about the journey ahead for our school community.

As you are aware, we completed our rebranding as **Infinite Schools** in July. This step marked the beginning of an exciting chapter in our story. While our name may have changed, please be reassured that **nothing will change for your children in terms of care, support, and quality of education**. If anything, our ability to shape provision that meets the unique needs of our pupils will only grow stronger, now that we are fully autonomous and able to direct every decision with their best interests at heart.

Our vision remains clear: to provide an environment where young people feel safe, valued, and inspired to achieve. We aim to support every pupil in discovering their path, developing their strengths, and becoming confident, resilient individuals ready to chase their dreams. We will achieve this through our Foundational Values of Care, Connection and Trust, and our Aspirational Values Courage, Ambition and Excellence.

This year also brings the excitement of welcoming new colleagues to our team:

- **Dympna Woods**, our new *Executive Headteacher*, who will be supporting leadership across Infinite Schools.
- **Zoe Phillips**, joining us as *SENDCo*, to strengthen our provision for children with additional needs.
- **Krysta Waddington**, stepping into the role of *English Lead Teacher*.
- **Asikiya Smith**, our new *Higher Level Teaching Assistant*.
- **Lucy Burchall**, who is now our *Admin Officer at Marsh Green*.

Each of these appointments reflects our commitment to excellence and our determination to keep building the best possible team for your children.

I cannot overstate how excited I am for what lies ahead. With Infinite Schools now fully established, and with the strength of our staff team, we are entering a phase of real opportunity and growth. Together, we will continue to nurture, challenge, and empower the young people we serve.

Thank you, as always, for your trust, your partnership, and your support. Here's to a successful and inspiring year ahead for all.

With warm regards,

Rob Jarvis

Headteacher
Infinite Schools
